

# CALLING ALL STITCHERS

Do you knit, crochet or weave?

Are you based in Staffordshire Moorlands?

We want to hear from you!

Join us on Wed 22 Oct to help us create a stitch network across the Moorlands.

We want to hear from stitchers of all ages, types and abilities. We need you to tell us what kind of stitch project you would like to see.

Bring along your unwanted, unloved skeins and balls of yarn and swap them for something that you do love.

This event is free to attend but we ask that you register [HERE](#) so we know how many scones to order.
